Seasons: The Ring of Fire (Volume 1) C S Ulyate
Twelve-year-old Winter is starting to believe she might be going crazy. It seems like every other way she looks, she'll see soup cans and plastic bags form into monsters to terrorize her. But when Winter discovers that she and her three siblings were born from Mother Nature, everything is about to change. Winter's evil relatives have kidnapped her little sister Spring and are using Spring as bait to bring Winter to Yellowstone National Park. Now Winter and her other two siblings have five days to get Spring back. However, Winter must be strong if she ever wants to confront her evil relatives that control oil, plastic, tin, and their monstrous trash pets. She will need to learn to surf on rivers and master her ice-age ability, unravel the past for her Mother's disappearance, and control the nightmare that makes her maple syrup for blood boil. Unknown to Winter, the true evil waits for her underneath the Park.
