The Amazing, Super Secret, Undercover Life of Roscoe the Cat Richard Kelley
Roscoe is a somewhat surly, but lovable house cat. Like most cats, he spends a fair amount of his time sleeping in nooks and crannies in and about the house where he lives, with the family that cares for him. He wakes up long enough to eat and stretch out under the morning sun and occasionally rolls around in the dirt.

The family that cares for Roscoe, assumes that this is the sum of Roscoe's life.....but they are wrong. When the cover of darkness falls, Roscoe becomes a Secret Agent, and there is no telling what what adventure might await.

The Amazing, Super Secret, Undercover Life of Roscoe the Cat, begins the series, when Roscoe notices a small hole developing in the bag of cat food which sits upon the washing machine. The question is, "How did it get there, and who is behind it?" One thing is for sure.....Roscoe will put his Secret Agent skills to work and find out. There may be some valuable life lessons learned in the process.

Dr. Kelley is a practicing physician in Austin, Texas, and is the author of 'The Fitness Response,' 'The Fitness Response 'Diet' for Women, as well as 'The 3 Hour Appetite' series. 'The Amazing, Super Secret, Undercover Life of Roscoe the Cat' is Dr. Kelley's first book written for children.

"My goal in writing this book, has been to write a fun and enjoyable, book that both preschool and elementary school age kids could read, and also present a valuable lesson about how to treat others."

"Roscoe is indeed, our cat and he is truly a sweet and interesting animal. He is part of our family. This book is his platform, to grow and be more than just a cat. I think he would be pleased."
