The Last Goodbye (Harlequin Superromance) Sarah Mayberry

Ally Bishop knows the settling kind when she sees one. And Tyler Adamson is definitely one. Ordinarily this never-in-one-place-long girl would stay far, far away. Maybe it's the way he looks in jeans, or the way he looks at her, but suddenly Ally is breaking her own rules with dizzying speed. All that Australian temptation right next door…well, there's only so much resistance one girl can have.

As she dives into a fling with Tyler, Ally assures herself she can maintain perspective. After all, he's only here long enough to care for his ailing father. That gives them a time limit, right? With each passing day, however, she falls for Tyler more. And soon she has the strongest urge to unpack her suitcase and stay a while.
