Fake It Til You Mate It (a Paranormal BBW Bear Shifter Romance) (Bearfield Book 5) Jacqueline Sweet, Eva Wilder
A friends to lovers romance, with smiles and charm.

Bachelor bear shifter Danny Morrissey is the total package. He’s drop dead gorgeous, funny, wealthy, and a god in the sack. He lives his life flitting from one pair of spread thighs to the next; savouring each lucky lady and leaving a trail of rumpled sheets, smiling faces, and the occasional broken heart in his wake. But an urgent text message from his family is about to put an end to his carefree, pleasurable lifestyle.

Sarah Honeywell is Danny’s best friend and his only confidant. She has curves in all the right places and a bruised ego from a sudden breakup. So when Danny tells her he needs help with some bear business, she jumps at the chance to focus on someone else’s problems for a change. But little does she know her life is about to get a whole lot more complicated.

In the midst of a meeting of all the packs, Danny is given an ultimatum: if he doesn't produce the mate he's claimed to have, he'll be forced into an arranged marriage that will cast him far from everything he holds dear.

Only Sarah can save him now, but what if pretending to be his mate feels too good? What if those glances he steals of her bare thighs are more than just an act?

FAKE IT TIL YOU MATE IT is a paranormal romance set in the sleepy but mysterious town of Bearfield. It’s a standalone story with a helluva HEA and no cliffhangers.
