**Maids of Misfortune: A Victorian San Francisco Mystery** M. Louisa Locke
It's the summer of 1879, and Annie Fuller, a young San Francisco widow, is in trouble. Annie's husband squandered her fortune before committing suicide five years earlier, and one of his creditors is now threatening to take the boardinghouse she owns to pay off a debt.

Annie Fuller also has a secret. She supplements her income by giving domestic and business advice as Madam Sibyl, one of San Francisco's most exclusive clairvoyants, and one of Madam Sibyl's clients, Matthew Voss, has died. The police believe it is suicide brought upon by bankruptcy, but Annie believes Voss has been murdered and that his assets have been stolen.

Nate Dawson has a problem. As the Voss family lawyer, he would love to believe that Matthew Voss didn't leave his grieving family destitute. But that would mean working with Annie Fuller, a woman who alternatively attracts and infuriates him as she shatters every notion he ever had of proper ladylike behavior.

Sparks fly as Anne and Nate pursue the truth about the murder of Matthew Voss in this light-hearted, cozy historical mystery set in the foggy gas-lit world of Victorian San Francisco. *Maids of Misfortune*, is the first book in M. Louisa Locke's historical mystery series, followed by *Uneasy Spirits, and Bloody Lessons.* Her short stories, *Dandy Detects, The Misses Moffet Mend a Marriage, and Mr. Wong Rights a Wrong*, are based on characters from the novels.
