Occupy: movimentos de protesto que tomaram as ruas (Tinta Vermelha) (Portuguese Edition) David Harvey, Mike Davis, Slavoj Žižek, Tariq Ali, Vladimir Pinheiro Safatle
A memória coletiva marcará 2011 como o ano em que as pessoas tomaram as ruas de diversos países em uma onda de mobilizações e protestos sociais: um fenômeno que começou no norte da África, derrubando ditaduras na Tunísia, no Egito, na Líbia e no Iêmen; estendeu-se à Europa, com ocupações e greves na Espanha e Grécia e revolta nos subúrbios de Londres; eclodiu no Chile e ocupou Wall Street, nos EUA, alcançando no final do ano até mesmo a Rússia. Das praças ocupadas por acampamentos às marchas de protesto nas avenidas das principais metrópoles, emergiu uma consciência de solidariedade mútua que resultou em toda sorte de material multimídia sobre o movimento na internet, amplamente compartilhado nas redes sociais.

Para o jornalista, doutor em Ciências Sociais e blogueiro Leonardo Sakamoto, o que muita gente ainda não percebeu é que tais ferramentas não são utilizadas para a mera descrição dos fatos, mas sim para a construção e reconstrução da realidade: "Quando a pessoa atua através de uma dessas redes, não reporta simplesmente. Inventa, articula, muda. Vive".

Inspirada por essa campanha colaborativa, a Boitempo lança, em parceria com a revista eletrônica Carta Maior, a coletânea Occupy - movimentos de protesto que tomaram as ruas, a qual reúne artigos de pensadores críticos deste novo momento da política global em que a voz das ruas passa a ocupar o cenário. O livro será vendido a preço de custo, graças à colaboração dos autores e ilustradores, que cederam os direitos autorais para tornar a obra mais acessível e condizente com a proposta do movimento. Imbuídos não só da lucidez da crítica, mas também da esperança e da paixão pelo engajamento, os textos apresentam alguns consensos, como a certeza do declínio geral do capitalismo; a percepção de uma nova solidariedade social; e a análise da ausência, até o momento, de uma definição estratégica dos movimentos de ocupação.

John McKenzie:

Reading a reserve tends to be new life style in this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or their experience. Not only the story that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this Occupy: movimentos de protesto que tomaram as ruas (Tinta Vermelha) (Portuguese Edition).

Beth Stewart:

Why? Because this Occupy: movimentos de protesto que tomaram as ruas (Tinta Vermelha) (Portuguese Edition) is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book include such

as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.
