Since we can use our sexual energy to power our biological energies, tantric sex is a great way for people to empower themselves. Author Barbara Marx Hubbard emphasizes that tantric sex is a great way for people to emancipate their full potential. Just as conventional sex is used to create life, tantric sex is used to make important connections with life. The energy obtained in tantric sex can be used to energize us so that we can reach our goals during intercourse. Tantric sex empowers us to drop our inhibitions so we no longer become afraid nor ashamed in engaging in sex and enjoying it. On the other hand, tantric sex is also a humbling experience. Since you benefit from your holding your orgasm, you learn how to give pleasure to your partner so that you achieve orgasm at the same time.

Tantric sex teaches us how to become familiar with our mystical nature so that our sexual boundaries expand, allowing us to enter a new realm of awareness. By embracing tantric sex, we not only improve our sexual experiences but also empower our daily lives as we can use the energies from tantric sex and channel them to our daily routines.
