The entire Chocoholics series is now available in one, special edition book! *This series is a spinoff from the Chocolate Lovers books and should be read after that series.*

Book 1 – Love and Lists:

Twenty-five-year-old Gavin Ellis has always had the love and support of his family ever since he was a little boy and couldn't stop talking about his penis. He's also always had their unsolicited advice and uncanny knack of embarrassing him at all costs. Now that he's an adult and trying to convince the love of his life to love him back, things haven't changed very much from when he was younger. When Gavin's best friend Tyler suggests he make a to-do list of items that will ensure he wins the girl, Gavin is one-hundred-percent on board: after a few six packs. After puking in the shrubs, a bad experience with Viagra, a Sex-Ed course gone wrong, and a slew of other mishaps courtesy of his family and friends, Gavin is pretty sure this list will be the death of him. Sometimes, trying to make someone love you with a list isn't always the best idea.

Book 2 – Passion and Ponies:

Ava Gilmore has the perfect life. She's surrounded by people who love her, she's having sex on a regular basis and her Coach bag collection just grew by three. The problem? She's expected to follow in her family's footsteps at Seduction and Snacks, working with sex toys and baked goods. Ava loves vibrators and cupcakes as much as the next person, she'd just rather play with them than sell them. With her shopping addiction reaching an all time high and her credit card bills piling up, Ava decides to put her obsession to good use and start a fashion blog. But she has one other problem – the guy she's having sex with has a My Little Pony addiction. While dealing with her family's disappointment and confusion over her choices, she finds support in the unlikeliest of places – Tyler Branson. Tyler has slowly wormed his way into her bed and her heart and he refuses to leave. Tyler has his own family problems to deal with and for the first time ever, Ava finds herself feeling bad for the annoying, immature guy and chanting "Friendship is magic!" during the sex she'd swore to stop having with him.
Ava needs to get her life in order once and for all before she finds herself doing something she never wanted to do – fall in love with a Brony.

Book 2.5 – Tattoos and TaTas:

Claire and Liz have always had a friendship that defied the test of time, but when one of them is diagnosed with a disease that every woman fears, their bond is put through the wringer. How do you cope knowing your soul mate could be taken from you? Filled with memories of their life long friendship, inappropriate behavior, bad tattoos and shaving cats, the two friends will realize that laughter really is the best medicine.

Tattoos and TaTas is not your typical love story; it’s a story of friendship and learning how to let go when something is beyond your control.

Book 3 – Baking and Babies:

“I’m pregnant.” Molly Gilmore had a good life before she uttered those two stupid words. While preparing to graduate from culinary school and building up the courage to make a move on her hot, sugar-cookie-smelling pastry instructor Marco, she can’t wait to finally have the GREAT life she’s always dreamed about, instead of just the good one she’s been living.
Always known as the quiet ninja, she fully intends to stay hidden in the shadows with her nut-job family, so they have no chance to embarrass her around the man she’s crushed on for two years. Unfortunately, her family has other plans. When they yank her straight out of her comfort zone, she finds herself starring in the craziest train wreck she’s ever witnessed.
Molly ultimately gets a more exciting life that doesn’t revolve around school, but she’s pretty sure the man of her dreams won’t be sticking around long after her family gets ahold of him. There aren’t too many guys who can handle smelling like pee, having the whole world know how he masturbates, and being forced to eat an entire bag of dicks.

Join the Chocolate Lovers and Chocoholics gang for one final story about love, baked goods, making poor life choices, and remembering how important family is?even if they drive you insane. Mostly because it’s illegal to kill them.
