Not Today, But Someday (prequel)
Nate Wilson knows he wants Emi Hennigan from the moment he sees her. Emi knows she needs Nate after one night together. A life-long friendship is born, and a pact is made to ensure that nothing will come between them.

Lost and Found (book one)
After swearing off love with Emi in a silly high school pact, Nate has been seeing other women in hopes of finding one that evokes stronger feelings than the ones he’s been harboring for Emi since he was a teen. Over the span of a year, boundaries are crossed, feelings are confessed, and their unique friendship begins to blossom into something more. With a promising future ahead of them both, fate intervenes to bring two soul mates together.

Time Stands Still (book two)
No man could compete with Nate, Emi thought, until one night – one evening, one party, one journey, one second alters her course completely. That night, her brother’s best friend, Jack Holland, comes back into her life with a mission. In a year’s time, he slowly finds a comfortable place in Emi’s life, but only time will tell if it’s right for Emi – and enough for him.

Never Look Back (book three)
To say Emi’s life over the past two years has had its share of peaks and valleys is an understatement – and her friends and family would agree. In the conclusion to Emi Lost & Found, Jack guides Emi through a year of self-discovery, and teaches her that faith in true love – and in soul mates – can yield happiness from even the darkest of places.

Plus two bonus short stories!
