Trust God. Sounds simple, right? Yet, you know it is often very, very difficult to trust God with the things that matter most to you--money, career, marriage, health. As you study the book of Exodus, you'll see that Israel faced similar struggles to trust God completely. In this story of hardship and hope, you'll discover along with Israel that God--and God alone--is worthy of our trust. This LifeGuide Bible Study features questions for starting group discussions and for meeting God in personal reflection. Leader's notes are included with information on study preparation, leading the study and small group components as well as helps for specific Bible passages covered in the study. Presented in a convenient workbook format and featuring the inductive Bible study approach, LifeGuides are thoroughly field-tested prior to publication; they're proven and popular guides for digging into Scripture on your own or with a small group.
