Rollo May SUCCESSNotes: Man's Search for Himself, The Courage to Create, Love & Will, And The Discovery of Being Success Notes
"Rollo May is the best known American existential psychologist. Much of his thinking can be understood by reading about existentialism in general, and the overlap between his ideas and the ideas of Ludwig Binswanger is great. Nevertheless, he is a little off of the mainstream in that he was more influenced by American humanism than the Europeans, and more interested in reconciling existential psychology with other approaches, especially Freud's." - http://webspace.ship.edu
