Can you save fire island before it’s too late?

It was supposed to be a nice, relaxing weekend—with a little swimming, a lot of cocktails, and more hot bods than a year’s subscription to *Men’s Health* magazine. But when a vat of radioactive waste washes onto the beach, strange things start happening—and now an army of zombie drag queens is storming the coast! Can you save Fire Island before it’s too late? Or will you perish at the hands of a thousand shrieking divas? It all depends on the choices YOU make.

If you run toward the nearest ferry terminal, turn to page 44. If you flirt with the cute twink, turn to page 55. If you throw caution to the wind and join the nearest circuit party, turn to page 80.

What happens next? That depends on YOU! How does the story end? Only YOU can find out! Best of all, you can read this book again and again until you’ve had 29 amazing adventures!
