Essentials of Contemporary Management

Gareth Jones, Jennifer George

Essentials of Contemporary Management Gareth Jones, Jennifer George
Overview:

Jones/George, Essentials of Contemporary Management is the concise edition of the market bestselling textbook by the same author team. Jones and George are dedicated to the challenge of “Making It Real” for students. The authors present management in a way that makes its relevance obvious even to students who might lack exposure to a “real-life” management context. This is accomplished thru a diverse set of examples, and the unique, and most popular feature of the text, the “Manager as a Person” Chapter 2. This chapter discusses managers as real people with their own personalities, strengths, weaknesses, opportunities, and problems and this theme is carried thru the remaining chapters. This text also discusses the importance of management competencies--the specific set of skills, abilities, and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity, ethics, globalization, and information technology are integrated throughout.

From reader reviews:

Brent Cook:

The event that you get from Essentials of Contemporary Management will be the more deep you digging the information that hide inside the words the more you get serious about reading it. It does not mean that this book is hard to be aware of but Essentials of Contemporary Management giving you excitement feeling of reading. The writer conveys their point in certain way that can be understood by anyone who read the idea because the author of this e-book is well-known enough. This kind of book also makes your own personal vocabulary increase well. Therefore it is easy to understand then can go along with you, both in printed or e-book style are available. We recommend you for having this specific Essentials of Contemporary Management instantly.

Latoya Brown:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is in the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Essentials of Contemporary Management as the daily resource information.

Dexter Forsyth:

Precisely why? Because this Essentials of Contemporary Management is an unordinary book that the inside of the publication waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the guide store hurriedly.

Benjamin Herrera:

What is your hobby? Have you heard in which question when you got scholars? We believe that that query was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you know that little person like reading or as reading become their hobby. You have to know that reading is very important and also book as to be the issue. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You find good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is actually Essentials of Contemporary Management.
