Matt Stone doesn't believe in ghosts. But there are those who are convinced his home, a historic Virginia estate that dates back to the Revolutionary War, is haunted. Pressured to get at the truth about some strange happenings at Melody House, he agrees to let Harrison Investigations explore the house.

But he isn't ready for beautiful, intriguing Darcy Tremayne. As a paranormal investigator, Darcy has learned to believe in the unbelievable. And she's given Matt fair warning: sometimes people don't like the skeletons she finds. She never dreamed that warning would apply to herself. For she's about to discover that Melody House holds much more than a simple mystery from the distant past. What it holds is a very real and lethal danger, one that will cast her into a struggle against the worlds of both the living and the dead.
