I Came Up Stairs: A Victorian Courtesan's Memoirs, 1867 to 1871 MC Halliday
The erotic adventures of an enchanting seductress Blurb: Led from filth and poverty by a gentleman in the hopes of gaining coin for his purse, Mae is shaped into a lady and tutored in the arts of pleasure. With raw sensuality, she creates a seductive dance that entices the peerage in puritanical England, and she quickly becomes favored courtesan to Prince of Wales. Her renown and riches ever rising, she continues to romp with gamely men and women of both the nobility and the lower classes. Eventually, Mae's bohemian ways cause suffering for those she loves and her own heartbreak. Must she conform to Victorian mores, or can she remain true to her sensual desires? These intimate memoirs reveal a young woman's journey from the slums of Whitechapel to celebrated dancer of the Victorian music hall, and courtesan to the highest peers of the British realm. From the years 1867 to 1871, Mae recounts her varied lovers and false loves, and her heartbreaking losses in a quest for happiness.
