Jagged Little Scar Micheala Lynn
People don’t understand. Jodi Price knows she still has her guitar and her music and her life. But the accident took her singing voice and left behind the jagged reminder that she isn’t whole. Feeling anything means feeling pain.

Computer geek Sam Werstler doesn’t need to get out more, she tells her friends. She’s been perfectly okay all by herself since she threw out that cheating, lying witch. But they finally coax her out to a concert.

At first, Sam’s drawn to Jodi’s stage presence, then they’re two wounded loners passing time in the same place. Then…it’s so much more. Terrifyingly so much more.

Will the raw scars of the past destroy their chance at a future?
