My Cluttered Reflections.: Hymns of Silence Jose Lorenzo Castillo
This Book is written from the cluttered reflections of a determinist, an optimist, and a dreamer. His jumbled thoughts were thoroughly and critically examined, and deeply reflected before they proceeded to become “My Cluttered Reflections – Hymns of Silence”. It is in this context that a reader may find the unorthodox character of the Book which albeit disorganized, it nevertheless expressed ideals that are perhaps more than worth pondering and reflecting. Part of the aims of this Book is to challenge readers to critically think, reflect, and decide what to believe based solely on the merit of the reality of things as illumined by intelligent reason. It summons open-minded people to pointedly and incisively think, free from manacles of misconception and prejudice, free from fetters of creed and race subject to canons of nations, free from drag of hunger and want, and even free from social gravity of kinship and friendship. They should even think free from any dread of hell and illusion of heaven, and beholden to none but only for love of liberating truth.
