Beyond Hollywood: A Memoir of Fate, Luck, the Unexplained, and Living the American Dream J. Herbert Klein
One Man’s Journey From Hollywood’s Golden Age to Out-of-this World Experiences! BEYOND HOLLYWOOD tells the story of J. Herbert Klein, an “everyman” who leads a truly extraordinary life. With a Forrest-Gump-like knack for landing in the right place at the right time, a creative and inventive mind, and an enduring curiosity about things beyond the obvious, he is a one-of-a-kind American icon. During Hollywood’s Golden Age, Klein was associated with some of the world’s richest, most powerful, most celebrated people. He counted Ronald Reagan as a mentor, Frank Sinatra as a friend, Howard Hughes as a boss, Jayne Mansfield as a confidante, and Zsa Zsa Gabor as a leading lady. BEYOND HOLLYWOOD reveals Klein’s inside stories of these American icons -- but there’s more. A close friend of legendary actor Jon Hall, Klein’s adventures include forays into the unusual and unknown, and outright mysteries. Hollywood producer, builder, impresario, inventor, and innovator, after decades of silence, this mover and shaker shares his fascinating, never-before-told stories in BEYOND HOLLYWOOD.

From reader reviews:

David Carson:

People live in this new time of lifestyle always try and and must have the free time or they will get lots of stress from both everyday life and work. So , if we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer will certainly unlimited right. Then ever try this one, reading ebooks. It can be your alternative within spending your spare time, often the book you have read is Beyond Hollywood: A Memoir of Fate, Luck, the Unexplained, and Living the American Dream.

Anthony Rodriguez:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Beyond Hollywood: A Memoir of Fate, Luck, the Unexplained, and Living the American Dream can make you truly feel more interested to read.

Arthur Coe:

What is your hobby? Have you heard in which question when you got learners? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person similar to reading or as looking at become their hobby. You have to know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You see good news or update with regards to something by book. Amount types of books that can you take to be your object. One of them is Beyond Hollywood: A Memoir of Fate, Luck, the Unexplained, and Living the American Dream.

Stephen Harvey:

Some individuals said that they feel weary when they reading a book. They are directly felt the item when they get a half areas of the book. You can choose the particular book Beyond Hollywood: A Memoir of Fate, Luck, the Unexplained, and Living the American Dream to make your own reading is interesting.
