Not Forgetting the Whale John Ironmonger

When a young man washes up, naked, on the sands of St Piran, he is quickly rescued by the villagers. From the retired village doctor and the schoolteacher, to the beachcomber and the owner of the local bar, the priest's wife and the romantic novelist, they take this lost soul into their midst. But what the villagers don't know is that Joe Haak worked as an analyst and has fled the City amid fears of a worldwide banking collapse caused by a computer program he invented.

But is the end of the world really nigh? And what of the whale that lurks in the bay?

Intimate, funny and deeply moving, *Not Forgetting The Whale* is the story of a man on a journey to find a place he can call home.
