The Confessions of Max Tivoli: A Novel Andrew Sean Greer

"We are each the love of someone's life." So begins *The Confessions of Max Tivoli*, a heartbreaking love story with a narrator like no other.

Born with the physical appearance of an elderly man, Max grows older mentally like any child, but his body appears to age backwards, growing younger every year. And yet, his physical curse proves to be a blessing, allowing him to try to win the heart of the same woman three times as at each successive encounter she fails to recognize him, taking him for a stranger, so giving Max another chance at love.

Set against the historical backdrop of San Francisco at the turn of the twentieth century, *The Confessions of Max Tivoli* is a beautiful and daring feat of the imagination, questioning the very nature of love, time, and what it means to be human.
