The Days of Vengeance: An Exposition of the Book of Revelation

David Chilton

The Days of Vengeance: An Exposition of the Book of Revelation David Chilton
David Chilton has done it. He has written a book on Revelation that is sure to spark an eschatological revolution. Going where no commentary has dared to go before, Chilton's work shuts the mouths of end-times doomsayers with their pessimistic view of the future. David Chilton's extraordinary verse-by-verse exposition of Revelation is as welcome as a cool drenching rain upon a dry, thirsty ground. From the very beginning, cranks and crackpots have attempted to use Revelation to advocate some new twist on the Chicken Little Doctrine: "The Sky is Falling!" But, as David Chilton shows in this careful, detailed exposition, St. John's Apocalypse teaches instead that Christians will overcome all opposition through the work of Jesus Christ. A biblical and scholarly exposition of Revelation is laid out for readers to soak up and begin to view the world with renewed hope and optimism. Chilton skillfully shows in detail that Christians will overcome all opposition through the work of Jesus Christ. The book of Revelation is not about the antichrist, the devil, microchips, or bar codes. It is, as the very first verse says, "The Revelation of Jesus Christ." About the Author: David Chilton was a pastor and author of several books on eschatology, including: Paradise Restored, Days of Vengeance, and The Great Tribulation. Hardback, 700 pages
Copyright: 2006
