What Works: Essays on Learning to Live a Godly Life

Amy Jones

What Works: Essays on Learning to Live a Godly Life Amy Jones
God loves the most insignificant person, and cares about the most mundane, ordinary life. His plans always work and He never fails at anything. We too can be successful if we let Him guide us to where He wants us to go, but our definition of “success” has to match His! We thrive when we obey God’s word, and we fail when we ignore Him. In this collection of essays, Amy Jones—a stay-at-home wife and mother from rural America—showcases God’s handiwork and guidance in many areas of her own life, including credit card debt, losing weight, dealing with grief, having children, and growing a successful marriage. This work also includes the bonus chapter “The Black Paper,” an allegory depicting a lost soul’s search for redemption.
