Bossypants

Tina Fey

Bossypants Tina Fey
Excerpted from a New York Times book review: "Tina Fey is an ugly, pear-shaped, bitchy, overrated troll." Somebody once wrote that on a mean-spirited Web site, whence it could have vanished into oblivion. But Ms. Fey liked the remark too much to let it go. So she has used it (sans "bitchy") as one of the blurbs on the back of "Bossypants," her dagger-sharp, extremely funny new book for which even the blurbs are clever. ("Totally worth it." - Trees.) She also includes it in the book's "Dear Internet" chapter, which she treats as a happy occasion to eviscerate a few well-chosen haters. "Bossypants" isn't a memoir. It's a spiky blend of humor, introspection, critical thinking and Nora Ephron-isms for a new generation. But it chronologically follows Ms. Fey through an awkward girlhood spent in Upper Darby, Pa., teenage years with a coterie of gay friends and a fish-out-of-water stint at the University of Virginia. "What 19-year-old Virginia boy doesn't want a wide-hipped, sarcastic Greek girl with short hair that's permed on top?" asks Ms. Fey, who calls herself Greek when she isn't calling herself German. "What's that you say? None of them want that? You are correct. So I spent four years attempting to charm the uninterested." For all Ms. Fey's efforts to depict herself as "a little tiny person with nothing to worry about running in circles, worried out of her mind," she comes off as a strongly opinionated dynamo with a comedic voice that is totally her own.

From reader reviews:

Karen McCarthy:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they take because their hobby is reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem as well as exercise. Well, probably you will want this Bossypants.

Judith Smith:

What do you consider book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be pressured someone or something that they don't wish do that. You must know how great in addition to important the book Bossypants. All type of book can you see on many methods. You can look for the internet resources or other social media.

Betty Johnston:

The guide with title Bossypants has lot of information that you can discover it. You can get a lot of advantage after read this book. This specific book exist new knowledge the information that exist in this publication represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. That book will bring you with new era of the glowbal growth. You can read the e-book with your smart phone, so you can read it anywhere you want.

Thomas Baxter:

As a student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Bossypants can make you really feel more interested to read.
