California Contractors License Law & Reference Book with CD-ROM Publisher's Editorial Staff

The California Contractors License Law & Reference Book is a must-have resource for anyone interested in becoming licensed as a contractor in California. Created in conjunction with the California Contractors License Board, this newest edition includes the information you need to become a California Licensed Contractor, maintain and change your existing license, access information about Licensees, and handle complaints and citations. You'll also find high-quality information about home improvement, business management, construction standards, and safety regulations, and the full text of the State License Board Rules and Regulations. A comprehensive table of contents, a table of sections affected by new legislation, a convenient index, and quick-find tabs printed at the edges of pages allow you to find what you need quickly and easily in this full-featured softcover volume.

The included CD-ROM contains the full content of the print publication and makes it easy to search, cut, paste, print, and download the information you need. Purchase your copy of this convenient reference today and get started with the high quality, accuracy, and convenience professionals depend on from LexisNexis.
