Jeremy is stuck, like most young New Yorkers, in a world between adolescence and adulthood. Just when he thought that he was an average, blend-in-with-the-crowd gay kid, he becomes the victim of a terrible act of homophobia. Thankfully, a mysterious *something* comes to his aid. Garth is a gargoyle, trapped in stone and cursed to live an immortal life. Human and monster must become friends and confront the mysterious and magical events of the past that have brought them together.
