Mastering Workers Comp Costs: Volume 1 Pre-Loss Planning Rebecca Shafer
VOLUME 1 PRE-LOSS PLANNING of the 2014 edition. This best-selling industry manual on workers compensation cost containment is a structured guide covering how to assess your workers compensation program, design the most cost-impacting strategy, roll out comprehensive changes to your organization, and monitor and manage the program going forward.

The manual is designed as a training tool for employers, brokers, insurance companies, agents, and service providers to use for and with their clients.

Risk Managers update their knowledge of this specialized subject matter, and then use the book for internal training of business units and new personnel.

In addition to standard workers compensation information the book includes over forty new and expanded topics covering:

• Workers Compensation Insurance Basics and Fundamentals of Cost Containment

• Training, Building Commitment and Injury Management Best Practices Roles and Responsibilities

• Reporting the Claim and Post Injury Response Procedure

• Communication with Employees and Working with Your Adjusters or TPA;

• Safety, Loss Control and Wellness Programs

• Glossary

The manual focuses on best practices for operational improvement within an employer's workplace.
