This notebook map is the map you need to present the entire Las Vegas metropolitan area at-a-glance. It shows highways and major (arterial) streets with ZIP codes and ZIP boundaries, community names, Native American reservations, universities, stadiums, convention centers, US Air Force Bases, airports, lakes, state parks, national conservation areas, national wildlife areas, and national recreation areas clearly labeled. It is popular for general reference and for locating businesses which are normally found on the arterial streets. The colors are used to show the incorporated cities, making it easy to locate the official area of each city. This convenient and useful at-a-glance reference is clear enough to read but small enough for easy storage or travel.
