FOUR CREAMY, STEAMY STORIES JUST FOR YOU!

WAKING UP A HUCOW
"Doctor, please! It's almost unbearable. I need… I need…"

All my life, I knew that my body was lacking... in the chest department, anyway. Ever since I turned eighteen and was old enough to seriously start considering it, I had dreamed of getting implants. It wasn't fair! Sure, I was curvy everywhere else and everyone told me I was pretty, but it never felt like enough.

It seemed like all of my prayers had been answered when a friend showed me a contest I could enter where the winner would get an all expenses paid trip to get whatever cosmetic work they wanted done as some sort of promotional thing. I entered and I couldn't believe it when I won! I was finally going to have the body of my dreams!

Join me on my body changing journey, and find out exactly what happens when wake up to a creamy surprise. I got everything I asked for and even more when I realized how strong my desires suddenly were. So what do you think I did? I let the doctor take me hard and without protection, but you'll have to look inside to read more about how he ravaged my innocent body.

PREPARING THE HUCOW

"Betsy, it's part of the examination. Just relax, close your eyes."

I knew that my family was struggling with money, but I didn't know what lengths they would go to in order to secure our home and farm! They had arranged for a doctor to come over while they went out to town to sell some of our home grown vegetables, just to give me a general examination before I went off to live with another family.

I couldn't explain what took over me after he gave me the vaccination, first a small pinch of pain in my thigh before a warmth that took over my entire body. I looked down and my body began to change, practically right in front of my eyes and I felt desires that I had never felt before that could only be satisfied one way. I knew the only way I was going to find relief was if I let the handsome doctor take me hard and without protection. After all, it is a doctor's duty to make me feel better!

THIS EROTIC SHORT CONTAINS EXPLICIT SEXUAL CONTENT AND INVOLVES THEMES OF SUBMITTING TO THE ALPHA MALE, MEDICAL EXAMINATIONS, HUCOW, AND BAREBACK AND IS INTENDED FOR MATURE AUDIENCES ONLY!

PUMPED DRY

“And go ahead and step out of your clothes, dear."

After getting my hours cut at work, I knew I had to do *something* to get some extra income. I looked high and low, but everywhere I applied to for part time work was either not hiring or telling me that I was over qualified. Over qualified?! I just wanted to be able to make rent!

I was going through my mail to sort out the junk from the bills when I came across a weird advertisement for a pageant. The details were vague, but the prize was enough money that I would never have to worry about being broke again! I immediately called the place and we arranged for me to see a doctor for a routine check-up.

That's when I woke up to two ***very swollen and creamy*** surprises. The rest of my tale is too hot to talk about here, but come with me as I enter the pageant and get my prize ***hard and without protection*** for the very ***first time***.

HUCOW PROGRAM: ENTERING THE PROGRAM

"What we do here is offer a service for the wealthy… mostly wealthy men — though there are sometimes women interested! — who enjoy the creamier things in life."

I couldn't believe the mess my life was turning into. A really, really stupid plan with my boyfriend landed us both in handcuffs and awaiting trial for attempted robbery. My life was ruined! This would follow me forever, even after prison. How would I ever find an employer to trust me enough to hire me?
