Bieganski: The Brute Polak Stereotype in Polish-Jewish Relations and American Popular Culture (Jews of Poland) Danusha V. Goska
In this study, Goska exposes one stereotype of Poles and other Eastern Europeans. In the ""Bieganski"" stereotype, Poles exhibit the qualities of animals. They are strong, stupid, violent, fertile, anarchic, dirty, and especially hateful in a way that more evolved humans are not. Their special hatefulness is epitomized by Polish anti-Semitism. Bieganski discovers this stereotype in the mainstream press, in scholarship and film, in Jews' self-definition, and in responses to the Holocaust. Bieganski's twin is Shylock, the stereotype of the crafty, physically inadequate, moneyed Jew. The final chapters of the book are devoted to interviews with American Jews, which reveal that Bieganski--and Shylock--are both alive and well among those who have little knowledge of Poles or Poland.

Consequently there are a lot of benefits that you will get when you buy this book.

Ramon Lopez:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that

on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Bieganski: The Brute Polak Stereotype in Polish-Jewish Relations and American Popular Culture (Jews of Poland) can make you experience more interested to read.
