Jumping Grid Workbook

Susan Salo

Jumping Grid Workbook Susan Salo
The jumping book that trainers have been asking for! The Jumping Grid Workbook is a comprehensive reference for 20 of Susan Salo's jumping grids. The information for each grid includes an overview that explains why the grid is important and how it should be performed, how to set up the grid, jump spacing and height, use of the target, dog and handler starting positions, a detailed progression of the training stages for doing each grid with illustrations, problem solving ideas, suggestions on how much to practice the grid, proofing techniques, how to add handler motion, how to add handling (if appropriate for that grid), and grid variations (if any) that you can do. The workbook also includes six lesson plans to guide you with creating your own jumping program for a new dog, a dog having jumping problems, a dog that needs tuning up before a big competition, or a dog that just needs regular maintenance work. Since introducing her jumping program and making the DVDs, Susan has found that some dogs and handlers struggle to make the transition from foundation and advanced gridwork to adding motion and handling to their gridwork. With the addition of specific information on these subjects to each grid explanation, the Jumping Grid Workbook is designed to help people who are already familiar with the jumping program make this transition more easily. While there is introductory information on the "anatomy" of a jump, the book does not go into the same depth on Susan's jumping theory as the DVDs. Ideally the workbook is used as a supplement to Susan's DVDs, but it can also be used on its own without the DVDs.

From reader reviews:

Sherry Stevens:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a wander, shopping, or went to the Mall. How about open or maybe read a book allowed Jumping Grid Workbook? Maybe it is to become best activity for you. You know beside you can spend your time together with your favorite's book, you can better than before. Do you agree with it has the opinion or you have some other opinion?

David Wysocki:

The e-book untitled Jumping Grid Workbook is the book that recommended to you to read. You can see the quality of the guide content that will be shown to you. The language that creator use to explained their way of doing something is easily to understand. The writer was did a lot of research when write the book, and so the information that they share to you is absolutely accurate. You also could possibly get the e-book of Jumping Grid Workbook from the publisher to make you more enjoy free time.

Raymond Floyd:

Exactly why? Because this Jumping Grid Workbook is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

Kathleen Hernandez:

Is it you actually who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Jumping Grid Workbook can be the answer, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?
