I was planning on just listening to my childhood crush at a rundown bar. His boy band had broken up years ago and he had been trying to go solo. But when he walked up to me I just became melted butter. I thought it was only going to be one night of passion but when we run into each other again would we become more?

* This sexy steamy bad boy rockstar romance is perfect for fans of Joanna Blake, Devon Hartford, Sabrina Paige, and Dani Wyatt *
