Plesha, Gray, & Costanzo's ***Engineering Mechanics***, 2e is the **Problem Solver's Approach for Tomorrow's Engineers.**

Based upon a great deal of classroom teaching experience, Plesha, Gray, & Costanzo provide a visually appealing learning framework to your students. The look of the presentation is modern, like the other books the students have experienced, and the presentation itself is relevant, with examples and exercises drawn from the world around us, not the world of sixty years ago.

Examples are broken down in a consistent manner that promotes students' ability to setup a problem and easily solve problems of incrementally harder difficulty.

Engineering Mechanics is also accompanied by McGraw-Hill's *Connect* which allows the professor to assign homework, quizzes, and tests easily and automatically grades and records the scores of the students' work. Most problems in *Connect* are randomized to prevent sharing of answers and most also have a "multi-step solution" which helps move the students' learning along if they experience difficulty.

Engineering Mechanics, 2e by Plesha, Gray, & Costanzo, a new dawn for statics and dynamics.

From reader reviews:

Christopher Larsen:

Playing with family in the park, coming to see the sea world or hanging out with friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Package: Engineering Mechanics: Statics and Dynamics with 2 Semester Connect Access Card, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its identified as reading friends.

Eva Solares:

Do you have something that that suits you such as book? The e-book lovers usually prefer to select book like comic, limited story and the biggest some may be novel. Now, why not trying Package: Engineering Mechanics: Statics and Dynamics with 2 Semester Connect Access Card that give your pleasure preference will be satisfied through reading this book. Reading behavior all over the world can be said as the way for people to know world a great deal better then how they react to the world. It can't be said constantly that reading addiction only for the geeky individual but for all of you who wants to end up being success person. So , for all of you who want to start studying as your good habit, it is possible to pick Package: Engineering Mechanics: Statics and Dynamics with 2 Semester Connect Access Card become your own personal starter.

Linda Cooper:

Would you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you just dont know the inside because don't ascertain book by its handle may doesn't work is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer is usually Package: Engineering Mechanics: Statics and Dynamics with 2 Semester Connect Access Card why because the excellent cover that make you consider regarding the content will not disappoint anyone. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly direct you to pick up this book.

Maria Holder:

What is your hobby? Have you heard in which question when you got learners? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person like reading or as looking at become their hobby. You need to understand that reading is very important in addition to book as to be the factor. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You get good news or update about something by book. Amount types of books that can you decide to try be your object. One of them is this Package: Engineering Mechanics: Statics and Dynamics with 2 Semester Connect Access Card.
