Little Domenico Savio, whose biography was originally published by Don Bosco very shortly after the holy child's death, was, as will be seen, Don Bosco's spiritual child, and it is a subject of great joy to all his admirers that his cause also has at last been introduced at Rome with the approval of the Holy See. Domenico Savio, whom we all hope to see one day raised to the Altars of the Church, died as a schoolboy and when not yet fifteen years of age. He was not a Religious of any Order, he was not a Cleric, nor even as yet a church student, though hoping one day to become one; he was just an ordinary schoolboy, fond of his games, as well as of his books. Herein again we seem to see a peculiarly appropriate patron for all Catholic school children, for Domenico may be truly said to be one of themselves, and in these days of educational strife and danger such a patron is more than ever needed by our Catholic schools. Last of all we cannot but be struck by the extraordinary fact of Domenico's interest in England, as mentioned in chapter ten, and his wonderful vision narrated in chapter nineteen. As far as I know, there is nothing to show why this little Italian schoolboy should have felt any interest in England, or indeed how he came to know anything about it. It reminds one of the case of St. Paul of the Cross, except that it is a much more wonderful phenomenon in the case of a mere child. For this reason I feel specially pleased to see the life in an English dress, and I sincerely trust that the book may have a wide circulation in English speaking countries, and that all readers, and specially the children of our schools, may join in earnest prayer for the promotion of the cause of one whom we may hope some day to acclaim as "the Schoolboy Saint."
