Twas the Night Before Christmas - Updated for the 21st Century Paul Perro, Clement Moore
Paul Perro has taken Clement Moore's classic "Twas the Night Before Christmas" (or "A Visit from St Nicholas" to give it its correct title) and updated it, just a little. Archaic words and phrases have been replaced, but it is still the poem you remember and love.

Anyone who has ever tried to read the original poem to a young child, and been asked what a sugar plum is, or what is meant by "the moon on the breast of the new-fallen snow", will appreciate that it is not really a poem for children. All Paul Perro has done here is replace the words and phrases that children will not recognize with words and phrases that they will.

Oh yes, and instead of an elf called St Nicholas dressed in fur and smoking a pipe, we have an old man called Santa Claus dressed in red and with no evidence of nicotine addiction. There are no added car chases or aliens.

Not everyone will approve of the changes made, but don't worry, the original is still there, and will not be going away any time soon. This is just a little something to help mums and dads enjoy the poem with their little ones.

"Happy Christmas to all, and to all a good-night!"
