Seventeen year old Eden Malakim, Edie, thought her life couldn't get any more complicated than it already was. She and her mother have moved so many times Edie has lost count. So when her mother insists they move again, Edie hopes it will be the last one.

Little does Edie know, this move will bring her face to face with not only a family she's never met, but also a future she didn't know existed. The stories of angels and demons from her childhood turn out to be all too real and Edie discovers she's the answer to a prophecy as old as time.

Suddenly thrown into a world Edie didn't know existed anywhere but in stories, she realizes everything is not always what it seems. Trying to determine what is real and where she fits in becomes the least of her worries when someone begins attacking her. Will Edie discover her true purpose before it's too late or will something more sinister win the day?
