His Kiss of Darkness (The Ice Men Trilogy Book 2)

Kody Boye

His Kiss of Darkness (The Ice Men Trilogy Book 2) Kody Boye
After contracting a dangerous and mind-altering form of Lycanthropy, there seems to be little hope for Jason DePella. His lover, Guy Winters, a member of an ancient race of ice people, infects him with Kaldr magic, believing that the combined strains will allow Jason to maintain his humanity by living as a Wendigo.

They soon learn that the fabled Wendigo is nothing more than a myth. Instead, it's slowly killing Jason from the inside out.

Jason's only hope involves either perilous risk or unthinkable sacrifice. In order for Jason to possibly survive, he must venture into Howler territory to kill the man who infected him with lycanthropy or allow the man he loves to sacrifice his own life.
