Assessment and LEarning in Knowledge Spaces is a web-based, artificially intelligent assessment and learning system. ALEKS uses adaptive questioning to quickly and accurately determine exactly what a student knows and doesn't know in a course. ALEKS then instructs the student on the topics she is most ready to learn. As a student works through a course, ALEKS periodically reassesses the student to ensure that topics learned are also retained. ALEKS courses are very complete in their topic coverage and ALEKS avoids multiple-choice questions. A student who shows a high level of mastery of an ALEKS course will be successful in the actual course she is taking. LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student’s individual needs. It starts by identifying the topics a student knows and does not know. As the student progresses, LearnSmart adapts and adjusts the content based on his or her individual strengths, weaknesses and confidence, ensuring that every minute spent studying with LearnSmart is the most efficient and productive study time possible. Connect Math Hosted by ALEKS is an online assignment and assessment platform that helps students connect to their coursework and prepares them to succeed. An integrated ALEKS Initial Assessment helps you understand what your students know and are ready to learn next. This system is built by educators for educators. Content is produced and vetted by our market leading authors to ensure a single voice with your textbook. Built in a highly intuitive platform, course creation is simplified, saving you time while vastly improving student performance.
