Scaredy Squirrel Prepares for Christmas: A Safety Guide for Scaredies Mélanie Watt
According to Scaredy Squirrel, ?Christmas is indeed the most wonderful time of the year, but it is also the scariest.? Luckily, Scaredy is prepared --- and you can be, too! He's put together this ?Safety Guide for Scaredies,? full of advice for dealing with all the potential dangers, hazards and obstacles one might face during the Christmas season, complete with elaborate charts, numbered lists and the necessary diagrams. Included are step-by-step instructions for building a gingerbread house (Step 2: ?Get a building permit?), a shopping guide for tricky personality types (?mystical? and ?hairy? types included) and a variety of safety tips throughout, such as, ?When making a guest list, try to avoid inviting individuals like piranhas or double dippers.? Last but not least, at the end of the book is Scaredy's all-encompassing surefire solution: ?If all else fails ... play dead!?

Author and illustrator Mélanie Watt's endearing Scaredy Squirrel character is hugely popular with readers of all ages. Here she's laid out a picture book with separate chapters dedicated to different parts of the Christmas holidays: decorations, sweets, gifts and the like. With so much going on across each boldly colored spread, youngsters will spend loads of time poring over and laughing at all the details. Besides the fun appeal, this book would make a great introduction to a classroom discussion about how children celebrate the holidays in their own families. It also offers an opportunity for a character education lesson on courage, or a classroom conversation on feelings, particularly fear.

From reader reviews:

Nellie Kim:

What do you about book? It is not important along? Or just adding material when you need something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this specific Scaredy Squirrel Prepares for Christmas: A Safety Guide for Scaredies to read.

Luther Ritenour:

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try thing that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Scaredy Squirrel Prepares for Christmas: A Safety Guide for Scaredies, it is possible to enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout folks. What? Still don't obtain it, oh come on its named reading friends.

Linda Manning:

Would you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't judge book by its handle may doesn't work is difficult job because you are frightened that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer may be Scaredy Squirrel Prepares for Christmas: A Safety Guide for Scaredies why because the fantastic cover that make you consider in regards to the content will not disappoint an individual. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Stuart Rosado:

Reading a book to be new life style in this yr; every people loves to go through a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what forms of book that you have read.
