Sophia (Vampires in America Book 4)

D. B. Reynolds

Sophia (Vampires in America Book 4) D. B. Reynolds
The Pacific Northwest . . . home to lush forests and constant rain, to lumberjacks and computer geeks, especially those of the vampire kind.

Sophia, beautiful and deadly, has spent the last hundred years dancing her way through the balmy nights and hot-blooded men of South America. But when her Sire sends an urgent summons, Sophia rushes home to Vancouver only to find he has disappeared, leaving nothing behind but three dead vampires and a letter with Sophia's name on it.

Colin Murphy, a former Navy SEAL, came to the Northwest seeking a quiet place to heal the scars earned in more than a decade at war. But when someone starts killing local vampires and torturing their mates, Colin takes on the mantle of a warrior once again as he sets out to find the killers and do whatever it takes to stop them, even if that means hunting with vampires.

Following her Sire's trail of death to a small town in northern Washington, Sophia unexpectedly discovers the heat of a South American night in Colin's arms. But too soon Sophia and Colin find themselves in a race to uncover the killers before the next dead vampire becomes Sophia herself.

From reader reviews:

Hans Diaz:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each reserve has different aim or goal; it means that book has different type. Some people feel enjoy to spend their time to read a book. They are reading whatever they get because their hobby is usually reading a book. Consider the person who don't like examining a book? Sometime, man or woman feel need book if they found difficult problem or exercise. Well, probably you should have this Sophia (Vampires in America Book 4).

Maria Kraus:

With other case, little people like to read book Sophia (Vampires in America Book 4). You can choose the best book if you'd prefer reading a book. So long as we know about how is important a new book Sophia (Vampires in America Book 4). You can add understanding and of course you can around the world by a book. Absolutely right, since from book you can recognize everything! From your country till foreign or abroad you can be known. About simple point until wonderful thing you may know that. In this era, you can open a book as well as searching by internet gadget. It is called e-book. You can use it when you feel fed up to go to the library. Let's study.

Cheree Kramer:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with training books but if you want feel happy read one having theme for entertaining such as comic or novel. Often the Sophia (Vampires in America Book 4) is kind of guide which is giving the reader unstable experience.

Rosa Felton:

Exactly why? Because this Sophia (Vampires in America Book 4) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the book store hurriedly.
