Time and Time Again (Maybe) Chantal Fernando
I always thought I had luck on my side.

Things seemed to go in my favour, whether by will or by nature.

But that luck just ran out.

Jobless and on the verge of being homeless, I find a strength in me that I didn't even know existed and discover an unlikely savior --- Tag.

He avoids commitment like the plague, and starting anything with him will only lead to heartbreak.

I know this.

He knows this.

So why am I still here?

Oh, right. Because I want him more than I want my next breath.
