Tough Justice - Seeds of Doom

Russell Turney

Tough Justice - Seeds of Doom Russell Turney
A drug running bike gang, a corrupted justice system, and new love collide. New Zealand's Justice system is compromised by a brutal drug running bike gang. The government assigns employee, Iain Morrissey, the task of finding hidden computer code. Iain, a timid, OCD driven man, finds his dream girl. The dream disintegrates into a life-threatening nightmare as her dark past and his current work project thrust them into the cross hairs of the gang. Iain must come out of hiding to save his love, his life and his entire existence. A story of love, lies, drugs, violence, kidnapping and ultimately justice. ********** Robert Dugoni - New York Times Best Selling Author of Murder One says … In Tough Justice, Russell Turney has created a protagonist, Iain Morrissey, that is part Monk and part Jack Reacher. Morrissey propels the reader along a crash course of danger and intrigue using his wit and his brawn and the suspense is often at a fever pitch because Morrissey can't deny his obsessive compulsive disorder. I'm looking forward to reading more.
