A Very Short Guide to Passover Douglas Mangum
This guide is designed to provide a concise and informative introduction to what the Bible says about Passover, both the Hebrew Bible/Old Testament and the New Testament, and to how Passover is traditionally observed in Judaism. The content is at the level of explanation I have offered in introductory college-level classes on the Bible and Judaism. The intended audience is anyone interested in learning about the topic, but I approach the subject as if explaining the subject to an evangelical Christian student with little or no background in the topic.
