ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages
Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books
If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes
Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Connects theory to reality.

Exploring Marriages and Families uses compelling real-life video interviews, stories, and photos to help connect social theory to reality. Readers learn how social, cultural, and political factors will affect their own decision making in relationships.

Upon finishing this book, readers will understand the relevance of social science to their lives and have a solid theoretical, research-based understanding of marriages and families.

In addition, this book helps readers learn more about their own lives and those of others, how to make better decisions about their relationships, and how social and political forces will affect their decision-making. Integrated video interviews, photos, assessments and stories about real families help readers learn how to apply information to their own lives.
