René Hire is the nineteen year old Miami blonde beauty who pledges complete obedience to her lawyer agent Nick Johnson in return for help to pursue her acting career. Rene acted her beautiful ass off for him but wasn't ready for what happened to her each time before her director could yell, "Cut, Fade to Blonde." Rene became someone else each time and she was a born actress with naked ambition. The hard acting lessons affect her and everyone else as she gets more erotically productive, and she is a natural who loves to make a scene. The more Rene shows of herself, the more people become intent on seeing her shine. Her erotic roles teach her and others she is born for the spotlight, and drama and mystery unfold as her romance with the cameras find her on the small screen of commercials and the big screen with famous Hollywood beauties. How she gets there is the real story that proves the young beauty knows how to improvise. Filmmakers are creative people but Rene Hire proves she is the natural who was born for the spotlight.
