Something wicked is headed for Tarker's Hollow...

Erik Jensen is not who he claims to be. When he comes to the shifter town of Copper Creek to help after a mining accident, he discovers there is more going on than meets the eye. Now he must uncover the secret of the sleepy little town, before the wolves discover his.

Grace Kwan-Cortez knows how tough it is being a cop in a town full of shape-shifters, magic and who knows what else. What she isn't prepared for are the feelings she can't seem to shake since meeting Julian. And she can't decide which option she dreads more, that he ensnared her in some sort of spell, or that her feelings might actually be real.

Julian Magie is in possession of certain information. Information that could change Tarker's Hollow, and the world, forever. Torn between his sworn duty and his allegiance to his friends, Julian must decide who to trust, and where his true loyalties lie.
