Mama and Baby! (Indestructibles) Kaaren Pixton

Here is a book babies can really sink their gums into. Built for the way babies read, Indestructibles are printed on an amazing paperlike material that can’t be ripped, torn, or punctured. Indestructibles are 100 percent safe and nontoxic, and if they get too funky, just throw them in the washing machine or dishwasher. They’re made for baby to hold, grab, chew, pull, and bend, and are designed to create an even more special bond between reader and baby. Printed without words, the parent gets to make up the story, or just cuddle with baby while they explore together.

Mama and Baby! is about mothers and babies of different species. Kaaren Pixton’s art is bright, swirling with color, and reminiscent of Eric Carle, and it attains an almost 3D richness on the special paperlike stock of the book.
