One Drop At a Time M. Russell Ballard
Do you sometimes wonder if your little efforts could possibly make any difference at all? Consider a simple example from nature. Honey is one of the foods that includes all the substances enzymes, vitamins, minerals, and water necessary to sustain life, writes Elder M. Russell Ballard. And yet, over its short lifetime of just a few weeks to four months, a single honeybees contribution of honey to its hive is a mere one-twelfth of one teaspoon. Though seemingly insignificant when compared to the total, each bees one-twelfth of a teaspoon of honey is vital to the life of the hive. Your simple, daily acts of service matter, and this charmingly illustrated little book will lift your heart as it demonstrates the power of many righteous people working together to fill the world, one drop at a time, with the sweet truths of the gospel.
