Practical Female Psychology: For the Practical Man

Joseph South, David Clare, Franco

Practical Female Psychology: For the Practical Man Joseph South, David Clare, Franco
Practical Female Psychology for the Practical Man is a unique examination of women and relationships in an era of material equality between the sexes. Despite vast gains in the welfare of women, especially in the modern West, both men and women are finding relationships ranging from dating to marriage increasingly difficult. The authors draw upon cutting edge science in evolutionary biology, and neuropsychology, and vast personal experience with women to distill some simple and practical principles men will find useful for creating and maintaining relationships with emotionally compatible women.
