Principles of Contract Law, 3d (Concise Hornbook Series) Robert Hillman
This overview of contract law explains concepts clearly and concisely, in an informal, humorous style. For ease of reading and understanding, the book refrains from including complex textual footnotes. Instead, the footnotes cite cases, with most including short quotations to substantiate assertions made in the text. The book also contains numerous examples and illustrations. Cross references enable readers to review concepts that constitute building blocks for the current material.
