Firebird Kathy Tyers
Her Death Was Expected but Something More Powerful Kept Her Alive
A Science-fiction Story Like They Used to Write..."
-Christopher Parkening, premier classical guitarist.

Bestselling author Kathy Tyers' has rewritten her first and favorite science fiction novel to deal more fully with questions of salvation and the search for faith. If you are a fan of science fiction, Christian fantasy, or just great storytelling you will be thrilled by the important themes and intriguing plot.

Lady Firebird was born a princess of the royal family of Naetai. Because of her birthplace in the family, however, her life is expendable. Honorable suicide is the highest calling she could hope to attain. When she is chosen to lead an attack on the neighboring planet of VeeRon her death is expected. She is taken prisoner during the battle and is held by the enemy.

With her own people seeking her sacrifice, Firebird must choose between two worlds before she can carve out her new destiny. This is the story of Princess Firebird's personal spiritual battle and the eternal consequences it has not only for herself but for everyone around her and especially the man who loves her.

WHAT PEOPLE ARE SAYING ABOUT *FIREBIRD*:

"A science-fiction stunner, wonderfully plotted, and it anticipates the coming Messiah. A must read for people of science and people of faith." *Bob Briner, author of* The Leadership Lessons of Jesus

"Brilliant! *Firebird* is romantic and intellectual with a very strong and creative spiritual message. I thoroughly enjoyed it." Kris L., MN
